

Maryam آلِهَا

Mother of Isa عِيسَى

There were many prophets who lived before Prophet Muhammad ﷺ and all of them were men. Every prophet had a mother, except Adam آدَمَ, but the best mother of all was Maryam مَرْيَمَ

Maryam مَرْيَمَ was a very special woman. She loved Allah اللَّهُ so much and was very close to Him. There was no other woman that came close to her in worship الْعِبَادَةَ. She worked hard everyday and made sure that everything she did would please Allah اللَّهُ. Allah اللَّهُ loved Maryam مَرْيَمَ so much so that there is a whole surah in the Qur'an named after her. Can you guess what the Surah number is?

Allah اللَّهُ talks about Maryam مَرْيَمَ in the Qur'an and says:

“And ‘remember’ when the angels said, “O Maryam! Surely God has selected you, purified you, and chosen you over all the women of the world. O Maryam! Be devout to your Lord, bow down ‘in prayer’ and bow with those who bow down.

{Surah 3, Aya 42-43}

Maryam مَرْيَمَ was given one of the most amazing miracles. Allah اللَّهُ was so happy with her and blessed her with a son, Isa عِيسَى who was one of the 5 greatest prophets. This was a special gift from Allah اللَّهُ to only her.

Asiya الْأَسِيَاءُ

Wife of Pharoah

Asiya will be one of the first women to enter Paradise الْجَنَّة. She changed her whole life once she started to believe in Allah ﷻ. Asiya was the wife of the evil Pharoah فِرْعَوْنَ and they lived in Egypt many years ago. Pharoah was one of the worst people to live on earth because he wanted people to see him as a god. This is the biggest sin in Islam and we must always remember that there is only one God whom we call Allah ﷻ.

During that time, Asiya found a little boy in the river who later became prophet Musa مُوسَى. Pharoah was scared that someone will come and change the hearts of the people by telling them to believe in Allah ﷻ, little did he know that the boy was growing up in his own home. Asiya was a very loving and caring person and she decided to take good care of the little boy she found in the river. When the boy grew older, she started to see him believing in Allah ﷻ and she kept it a secret away from the Pharoah so that Musa wouldn't get into trouble.

One day when Musa started telling people about Allah ﷻ, Asiya was one of the first people to believe. She had everything, she was a queen مَلَكَة and the wife of the most powerful man at that time. She decided to risk everything and started worshipping Allah ﷻ.

Khadija

الَّتِي هَامَتْ

Wife of Prophet Muhammad ﷺ

Khadija was the first person to accept Islam after Muhammad ﷺ became a Prophet. When she heard what happened to him when he first saw Jibreel جبريل عليه السلام she was not scared. She helped Prophet Muhammad ﷺ calm his heart and asked him about what had happened. After Prophet Muhammad ﷺ told her everything, she accepted Islam right away and started to believe only in One God, Allah ﷻ.

Here are more reasons why Khadija was a very special woman:

- 1) She was a business woman and gave her money to the poor
- 2) She was a very caring person
- 3) She was the first Muslim
- 4) Prophet Muhammad ﷺ loved her a lot!

Khadija was a very special woman because she always stood beside what the Prophet Muhammad ﷺ did and said. If you want to go further in life, then take care of the special women around you who are there to help support and encourage you along the way.

Fatima

الَّتِي هَامَ

Daughter of Prophet Muhammad

صلى الله عليه وسلم

Fatima was one of the many daughters of the Prophet Muhammad ﷺ. She was very sweet, caring, loving and always thankful **تَشْكُرُ** to Allah ﷻ. She also liked to feed the poor and was always helping others. She would also talk and walk like her dad, Prophet Muhammad ﷺ. Everywhere she went she was greeted and loved by all the other Muslims.

The Prophet Muhammad ﷺ said:
“Fatimah is a part of me, and
whoever makes her angry will
make me angry too”

{Sahih al-Bukhari}

Fatima was very special because she was a very good Muslim since a **YOUNG** age. We should all try to be like Fatimah. There is nothing wrong with loving Allah ﷻ from a young age. It will make you strong in your **DEEN** **دين** and Allah ﷻ will help you grow to be a strong Muslim with a love for Islam in your heart.
